

EndNote: Attaching PDF Documents:

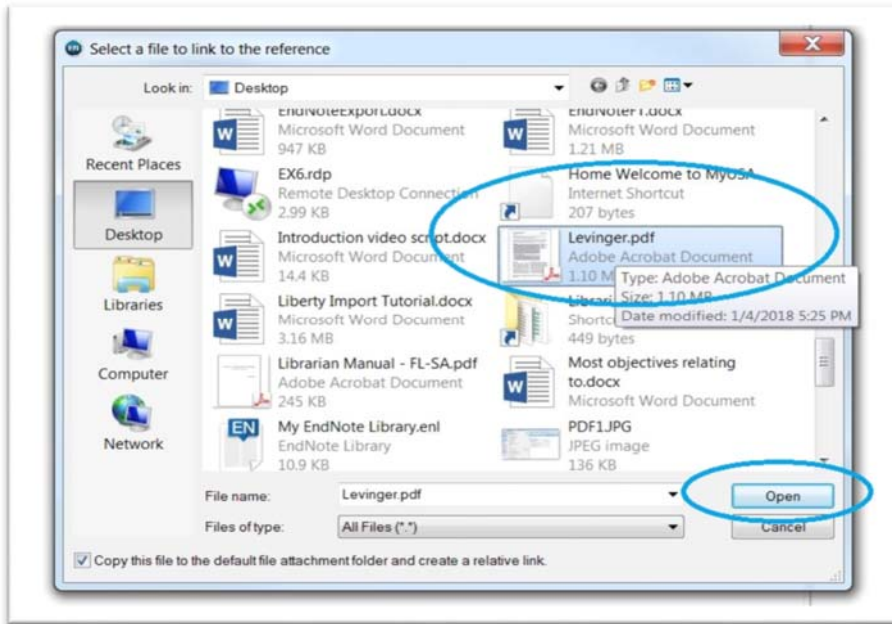

EndNote users can attach PDF documents to citations in their library.

- 1) To attach a PDF document, go to **REFERENCES>FILE ATTACHMENT>ATTACH FILE**.

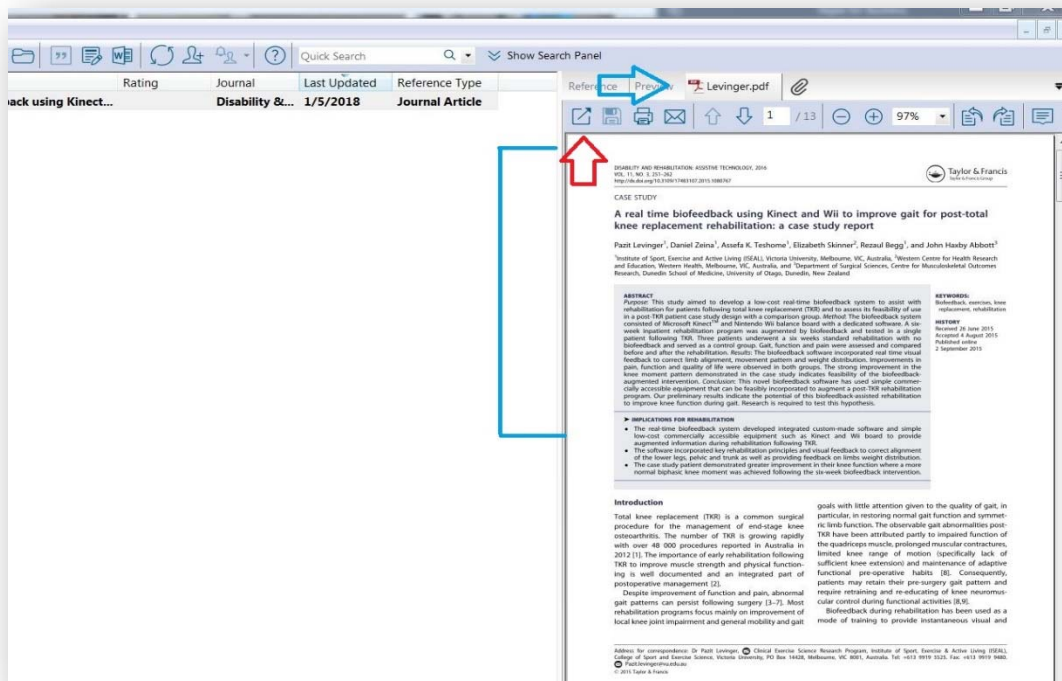

*You can also 'right click' on the reference in your library, scroll down to **FILE ATTACHMENT** and attach the file that way. Or simply click on  icon in the reference panel.

- 1) Select the file and click **OPEN**.

2) A preview of the PDF will appear in the **Reference Panel**. To view the article in its entirety, click on **OPEN PDF** (red arrow).

Still have EndNote questions? Contact the library at library@usa.edu.
